- Staggered single fleet (slower boats start earlier)
- Fixed duration race
- Lancing Correction Factor adjusted handicaps
- Offset trapezoid

By order of the Sailing Committee

26 March 2024

Notes

- 1 If there are insufficient competitors to form a Slow Fleet, 'Slow Fleet Competitors' can be incorporated into the Medium Fleet and be allocated an 'on the day' race result. In such a case, 'on the day' results will not count towards the wider series results of either the Slow Fleet or Medium Fleet, and Medium Fleet results carried forward to the Series will be allocated as though the Slow Fleet Competitor did not take part.
- 2 With reference to previous versions, the ILCA4/Laser 4.7 class are from 2024 included in Slow Fleets for relevant series, as according to their handicap rating and the fleet banding.
- 3 For any queries please contact the sailingsec@lancingsc.org.uk
